

THE INN *at Lewisburg*

Pet Policy

- Acceptable Pets – We welcome all well-mannered dogs in designated pet-friendly rooms. We reserve the right to require immediate removal of any pet that displays dangerous or unacceptable behavior, including, but not limited to, biting, excessive noise (such as barking), evidence of disease, or urination/defecation in guest room or public areas. Each guest is responsible for all charges that relate to the removal of his / her pet, including but not limited to transportation and kennel charges.
- Pets are not allowed in guest rooms not specifically designated as pet friendly.
- A \$50 per day per pet fee will apply to each guest room. The hotel reserves the right to charge the guest's account commensurate with the cost of any additional cleaning, pest control or damages. A valid credit card number must remain on file at the front desk.
- Pets must weigh less than 50 pounds.
 - Other pets may be considered on a case-by-case basis at the discretion of the hotel.
- No more than two (2) pets may occupy a guestroom.
- Pets must comply with local legislation requirements. Pets must be up to date on vaccinations, free of fleas, and wear identification tags at all times. Proof of vaccination must be provided upon request. Ensuring pets are vaccinated helps maintain the health and safety of all guests.
- Pets are not allowed in the hospitality room, pool area, or fitness center. Please dispose of pet waste in the receptacle provided in the designated pet relief spot.
- Pets are allowed in the lobby for entry and exit purposes only. Pets must be on a leash or in a carrier while in the lobby. Pets should not linger in the lobby area. This ensures the safety and comfort of all guests, as not all guests are comfortable around pets.
- Pets must be leashed, caged, or firmly held when they are in hallways and other common areas of the hotel.

- While in your guestroom, please place the Pet in Room sign on the outside of your door whenever your pet is in your room. Any disturbances such as barking must be curtailed to ensure other guests are not inconvenienced.
- Pets left unattended in the guest room when the guest leaves the hotel premises must be secured in a proper pet crate or carrier. Guests must provide a contact telephone number to the hotel front desk. This ensures that someone can be reached in case of an emergency involving the pet. Please do not leave your pet unattended in a guest room for an extended period of time. This policy not only protects other guests from potential disturbances but also ensures that pets themselves will have a pleasant stay. The hotel assumes no responsibility for pets left unattended and is not liable for any injury or damage caused by pets. Owners agree to indemnify the hotel for any claims arising from their pet's actions.
- For the safety and comfort of your pet, Housekeeping and Maintenance will enter your room only if: (a) your pet is not present or (b) you are present and can monitor your pet (dogs must be on a leash).

Meeting these requirements ensures a safe and enjoyable stay for all guests. It also helps the hotel maintain a high standard of cleanliness and order. Pet owners who comply with these policies contribute to a positive environment for everyone.

We appreciate your cooperation and understanding in making our hotel a welcoming place for everyone. If you have any questions or need assistance, please do not hesitate to contact the front desk.

Thank you for choosing our hotel. Enjoy your stay!

Sincerely,

Jere Croll
